**MAY 19 2000**

Dear Dr. Gibbs:

**CONTRACT NO. DE-AC27-96RL13308 - W375 - ERRATA TO ABAR-W375-00-00014, REV. 0, "PART A HAR SIGNIFICANT AND BOUNDING HAZARD EVALUATIONS AND ISAR FUNDAMENTAL ASPECTS OF DESIGN," AFFECTING THE HAZARD ANALYSIS REPORT**

Reference: CCN 012864, Letter, A.J. Dobson, BNFL Inc., to D. C. Gibbs, DOE/RL, "Request to Amend Authorization Basis Regarding New or Changed Significant and Bounding Hazard Evaluations and Fundamental Aspects of Design," dated April 23, 2000.

Attachment 1 corrects a formatting error in one of the attachments to ABAR-W375-00-00014, Revision 0, which was transmitted via the referenced letter. Specifically, Attachment 2 of the referenced letter, Hazard Analysis Report Appendix E, contained a formatting error in Table E-1; part of the data in two rows of the table was reversed.

The corrected Hazard Analysis Report (HAR) Appendix E is provided in "redline/strikeout" format as Attachment 1 to this letter. In addition to the correction to Table E-1, the corrected version includes the HAR header.

A disk in Microsoft Word format containing this letter and the attachment is included for the Regulatory Unit's use (Attachment 2).

If you have any questions or comments, please contact Mr. Dennis Klein at (509) 371-4867.

Yours sincerely,

A.J. Dobson  
Manager, Operations and Safety
